Member 5	[Full name]	[SID]	[University email]	[Preferred contact]

2. Shared commitments

Area	Agreement
Attendance	Attend agreed meetings or notify the team at least 12 hours before absence where possible.
Communication	Acknowledge direct team messages within 24 hours on weekdays and identify blockers early.
Quality	Submit work for peer review before the internal deadline; respond to review comments constructively.
Version control	Use feature branches and reviewed pull requests; do not rewrite shared branch history.
Academic integrity	Attribute sources, disclose assistance as required and do not submit unreviewed generated content.
Respect	Discuss evidence and deliverables rather than personalities; provide equal opportunity to contribute and present.

3. Roles and responsibilities

Role	Primary responsibilities	Owner	Backup
Project coordinator	Agenda, timeline, risk register and tutor communication	[Name]	[Name]
Requirements lead	Requirement quality, acceptance checks and traceability	[Name]	[Name]
Data lead	ERD, schema consistency, normalisation and database review	[Name]	[Name]
UX lead	User flows, wireframes, accessibility and presentation visuals	[Name]	[Name]

Role	Primary responsibilities	Owner	Backup
Quality/release lead	Document integration, QA, submission package and repository release	[Name]	[Name]

4. Working cadence

Practice	Agreement
Regular meeting	[Day/time/location]; 30-45 minutes; coordinator records decisions and actions
Internal deadline	Each deliverable is review-ready at least 48 hours before the Canvas deadline
Task ownership	Every task has one accountable owner, due date, status and acceptance condition
Decision rule	Seek consensus; if unresolved after documented discussion, simple majority decides; ties escalate to tutor guidance
Repository	Protected main branch; descriptive commits; one reviewer for material changes

5. Conflict and non-performance process

Step	Action
1. Private check-in	Two members clarify the missed commitment and agree a recovery action/date.
2. Team review	If repeated, the team records evidence, impact and a redistributed plan in meeting notes.
3. Written agreement	The affected member confirms the recovery plan and next checkpoint.
4. Tutor support	If still unresolved, the group seeks tutor guidance with the documented timeline; the team remains responsible for internal resolution.

6. Signatures

Member	Signature	Date
Member 1: [Full name]	Signature: _____	Date: _____
Member 2: [Full name]	Signature: _____	Date: _____
Member 3: [Full name]	Signature: _____	Date: _____
Member 4: [Full name]	Signature: _____	Date: _____
Member 5: [Full name]	Signature: _____	Date: _____

By signing, each member confirms team membership, shared responsibilities and the internal resolution process. Changes after signing are subject to the unit's published rules.
